

The perfect way to dehydrate, clean and disinfect the natural nail surface before any artificial nail application. Slightly scented with a pine forest fragrance, Nail Prep does an excellent job of cleaning residue, oils and other debris from the nail plate. Available in 125ml, 1L sizes.

With a delightful citrus aroma, Gel Cleaner rapidly removes residue and easily cleans gel brushes. Simply moisten a wipe and the sticky residue is quickly and gently removed. Available in 125ml, 1L sizes.

Contains internationally acclaimed softening agents and rich moisturisers in a refined, non whitening blend to ensure a safe and rapid removal of artificial nails. Available in 125ml, 1L sizes.

All Australian made formulas match performance and save you money!
Cosmetic grade solvents, and always great value!
